## **MANAGERS UPDATE**

Joe DeCerbo

December 6, 2023

**PICTURES:** Please wear your Board shirts to the December meeting so that we can take our Annual Board picture, as well as individual pictures.

**BOARD/STAFF LUNCHEON:** We will have a Christmas gathering after our Board meeting on December 13, 11:45 a.m., at The Speakeasy. Please plan to attend.

**SELECTED PROJECTS:** Attached to the Board Packets is the new and updated list for 2024. It is a work in progress; items can be added and deleted monthly.

**COMMUNITY CENTER DEPOSITS:** It has come to my attention that too many cancellations are occurring that lose money for the District and prevent people from reserving an event. Currently there are no consequences for cancelling a reservation, even if it is the day before. Staff is recommending that a deposit NOT be returned unless the reservation is cancelled two weeks prior to the event. This would apply to weekend events, Friday through Sunday, and be effective immediately. The change to the rental agreement will require a deposit at the time of the reservation as well.

**10- YEAR PARKS AND RECREATION PLAN:** A planning meeting was held on November 16; Ken Kirk will provide a summary at the Board meeting. We will also be having a discussion on the future status of Russ Ankrom Park. Please stop by the park at 402 Limetree Drive so you are aware of what is there.

**BREEZE ARTICLE:** In past years, several Board members wrote an article on an area that interested them, or a story about their experiences living in Spring Lake. If you would like to write an article, please let me know. I am planning on the next edition coming out in late January and will need the article by the January Board meeting. If not this issue, you can submit an article for any future issue as well.

**WEB SITE ACCESS:** For the first time ever, we exceeded 13,000 page reviews during a single month, in this case, November. Many of these contacts were due to the posting of the Festival pictures and utility payments.

**FIRE STATION:** The attached article is not totally factual. The funding came from the State Legislature, and the timetable will be quicker than stated.

**NEW WATER METER CHANGE-OUT COMPLETE:** The District Office was the last meter that was changed out, and there are no longer any original meters. Matt and Vince are pictured below finalizing the change.

**PERCEPTION VS. REALITY:** A surprise written exercise will be conducted at the Board meeting, so bring your thinking caps and your “A” game!!!

# 2 new fire stations waiting on design and site

By PHIL ATTINGER  
STAFF WRITER

Highlands County plans to have two new fire stations in the next two years.

They've been in the works for a few years already: A brand new station beside Spring Lake Improvement District and a replacement station for Lake Placid Station 36.

## Spring Lake

The Spring Lake station, to be called Station 20, will go in along Haywood Taylor Boulevard just west of Spring Lake and southwest of Sebring

International Raceway.

It will have ready access to the Raceway, Sebring Regional Airport, Spring Lake and Lorida on U.S. 98.

What it doesn't have yet, according to Highlands County Public Information Officer Karen Clogston, is a standard design for the station. That will take another couple of months, she said.

Right now, the Lunz Group in Lakeland is working on a prototype design, Clogston said. When finished, she said, the standard design can be customized to add on living quarters and vehicle bays, depending on each

location's needs.

It's needed, Clogston said, because as the county continues to grow, fire stations will need to add on to meet the needs.

A former chief of Highlands County Fire Rescue, Marc Bashoor, talked about having such a template, but Clogston said he didn't have one drawn up yet when he retired.

The county went through another administration under Laney Stearns before the current one, and a couple of project managers have rotated through staff, as well.

Clogston said one of the county's engineers now has this as a prime task, leaving County Engineer J.D. Langford to focus on roads and former county engineer, now Director of Critical Infrastructure Clinton Howerton Jr. to focus on drainage and design of a new landfill cell.

The county has \$3 million in grant funding for the Spring Lake station from the Florida Bureau of Fire, Arson and Explosives Investigations — formerly referred to as the State Fire Marshal.

## STATION FROM PAGE 1A

After getting a prototype, the county will then need to create a master plan, Clogston said, to customize the building to the site. That, plus getting all the necessary permits will add on another six months, at least, Clogston said.

### Lake Placid

As for Lake Placid Station 36, both the county and Town of

Lake Placid have begun looking for a new site, as reported in the Highlands News-Sun on Nov. 26.

County officials said Wednesday what Town Councilman Ray Royce reported to the Town Council this month: That a proposed site on Hillcrest Avenue, town-donated land between Karlson Law Group and Highlands Cove Apartments, does not have enough room to accommodate the fire station they need.

As it is, the site can't accommodate Ladder 36, Clogston said, which already has difficulty navigating around the current site off Interlake Boulevard. Not having that truck on site would affect the Insurance Services Office (ISO) Fire Score for the town and surrounding area, raising insurance rates.

"We will start a tentative timeline once we have a definitive site," Clogston said.

As of Thursday, they hadn't found a site.
