SIXTH ORDER OF BUSINESS**Treasurer's Report****A. Update**

Diane Angell reported that we received two assessment deposits, one in the amount of \$83,423 on June 4th and one in the amount of \$136,707 on June 11th. A public hearing will be held at the August Board meeting. Joe urged all Supervisors to make sure they presented their ideas and thoughts at the July meeting.

SEVENTH ORDER OF BUSINESS

Working Groups

A. Land Acquisition

Gary Behrendt reported that the Qureshi's have agreed to sell Lot 28. This is the last lot along the levy and canal leading up to the pump station. This leaves only Lots 34, 35, 37, 38, 41, and 42 which front on Duane Palmer. Lot 34 would be the next most important purchase. The other lots have less priority and we are content to wait them out.

Discussion was held on funds available to purchase Lot 28 and Resolution 2013-07 was presented to amend the Fiscal Year 2013 Budget.

ON MOTION by Gary Behrendt, seconded by Arlene Klingbiel with all in favor Resolution 2013-07 moving surplus funds from Capital-Water Body Construction to fund Land Acquisition was approved.

ON MOTION by Gary Behrendt, seconded by Arlene Klingbiel With all in favor to enter into a contract for purchase of Lot 28, Block A, Fairway Lakes from Zafar Qureshi Living Trust for \$16,500.

Bill Nielander prepared a contract and will handle the closing for the District.

Gary Behrendt read the following statement into the record. Maps were available for review.

Some time ago, we were approached by Mr. Tellschow to vacate some easements on Cougar Trail course and to accept a retention pond located on Waterway 2 Condo property. The County was contacted and agreed to survey and provide legal descriptions for several parcels of interest.

SLID concerns with the drainage of a residential area off Southerly Duane Palmer were considered. We were also contacted by the WW2 Condo folks to act on their pond issue. (Subsequently, a notice of fine pending has been issued from SFWMD to Mr. Tellschow). The County spent a great amount of time and has provided maps and legals for the parcels in question. Some of the easements are to be swaps between Mr. Tellschow and the County. The County is on line to provide equipment and labor for improvement of drainage off Duane Palmer if we can get control of property leading to the canal. One complication to this process has been Wauchula Bank's desire for some principle reduction for any release of property, by sale or easement.

- | | |
|------------|--|
| Parcel 1 | County to Tellschow 2.69 acres on Cougar 11 Fairway |
| Parcel 2 | County to Tellschow 0.48 acres near Cougar 8 Tee |
| Parcel 3 | Tellschow to County 0.44 acres near Cougar 8 Tee |
| Parcel 4 | Tellschow to County 1.61 acres North of Water Plant |
| • Parcel 5 | Easement to SLID (WW2 pond) 1.73 acres. Need title search to determine owner |
| • Parcel 6 | Tellschow to SLID 2.99 acres along Panther 18 Fairway |
| • Parcel 7 | Tellschow to SLID 3.74 acres between Panther 17 and 18 Fairways |
| • Tract B | Title from Tellschow to SLID 5.44 acres Panther 18 Fairway |
| Tract A | Owned by SLID and removed from deal – We Keep It |

- The total area of these parcels is 13.9 acres, which we will add to the water control plan. 5.44 acres will be by deed and the remainder in easements. The bank has asked for a minimum amount of any transaction to be \$25,000. Cost of this additional acreage for our future water control plan is \$1,800/acre.

We have a pending meeting with Wauchula Bank. Mr. Nielander and Mr. Breed are playing phone tag. Mr. Tellschow has agreed to the total package.

Mr. Tellschow was in attendance and discussion was held with the Board. After discussion it was suggested that Parcel F, listed as 6, and also 6A should be the top priority.

Bill Nielander asked Mr. Tellschow if the attorney for Waterway II had the authority to gift our sell on behalf of the association. Mr. Tellschow responded the association was in agreement to sell the pond for \$1.

ON MOTION by Gary Behrendt, seconded by Arlene Klingbiel to direct staff to review with Gene Schriner, have Joe contact SFWMD, and have Nielander conduct a Title Search and a Resolution on the easement will be presented at the July Board Meeting.

B. Personnel

Arlene Klingbiel reported that policies and procedures regarding Notary Public practices were developed and reviewed by Mr. Nielander. These policies have been added to Section 11.45 of the Personnel Policies and Procedures.

ON MOTION by Arlene Klingbiel, seconded by Tim McKenna with all in favor Resolution 2013-06 Notary Policies and Procedures was approved.

C. Parks

Tim McKenna reported that a new air conditioner has been installed at the Community Center. A new zero-turn lawn mower has been purchased to replace the old grass hopper. The grass hopper will be taken to auction.

ON MOTION by Tim McKenna, seconded by Gary Behrendt with all in favor the grass hopper lawn mower was declared as surplus.

EIGHTH ORDER OF BUSINESS

Supervisor Requests

Tim McKenna thanked Gary Behrendt for all his time and efforts put forth in the land acquisition purchases and working with Mr. Tellschow.

Brian Acker reported that the FASD Conference was again very informative and our membership is well worth the small amount we pay. He attended sessions on Sunshine Laws, Public Records, Social Media and a Mock Board Meeting. There is a Legislative update (Senate Bill 50) regarding the Public's right to speak in the works. The District will need to develop policies and procedures regarding this. He also attended a session on finance and the new GASB rules and regulations.

Brian Acker reported that he had attended the Highlands County Soil and Water Conservation meeting. We weren't on the agenda but the Chairman allowed him to give an update. The Legislative initiative that we applied for failed. We have to be a part of their strategic plan to get funding. We have attended many of their meetings and Joe has made presentations and we were never informed that we have to be a part of their strategic plan. Brian and Joe will find out what their strategic plan looks like and will bring information back to the Board to decide if we want to be a part of this.

Joe DeCerbo reported that after nine months the Florida Department of State has reviewed information by our consultants and agree that Village X is not in the Districts Drainage system. This information has been provided to USDA.

NINETH ORDER OF BUSINESS

Public Comments

Leon Van stated that he read in the Highlands Today that the Airport is going to give the City funds to make parks. He thinks it is time for the District to play hardball with them since we are taking all of their water and we are getting no help from them.
