...

To all of our dog park visitors and neighbors...We need your help and support as we host a luncheon for the employees of Spring Lake Improvement District. This is our 4th year in expressing our gratitude and appreciation for everything they do. These are the men and women who not only keep our Bark Park in pristine condition, but all of our community parks, common areas, waterways/ponds, lighting, mosquito control, home/waste waters, restrooms and mowing/spraying to name a few.

On Friday, December 1st, 1:30pm we will be hosting the luncheon at the Spring Lake Community Center. We are in need of cooked bbq meats, side dishes, drinks, paper products and desserts. If you can supply any of these items it would be greatly appreciated. These items can be dropped off the day of the event between 12-1pm at the community center or other arrangements can be made by calling the number below. We would like this year to be the best ever and to do so we need your help. Please contact Monica Griffith with what dish you would like to make or any questions you may have. She can be reached at 863-381-8052. Thank you!
